

Parent Guide to School Reports

When your child joined Bedminster Down School, you were given information about ‘My Child At School’ (MCAS), the app that let you get information about your child.

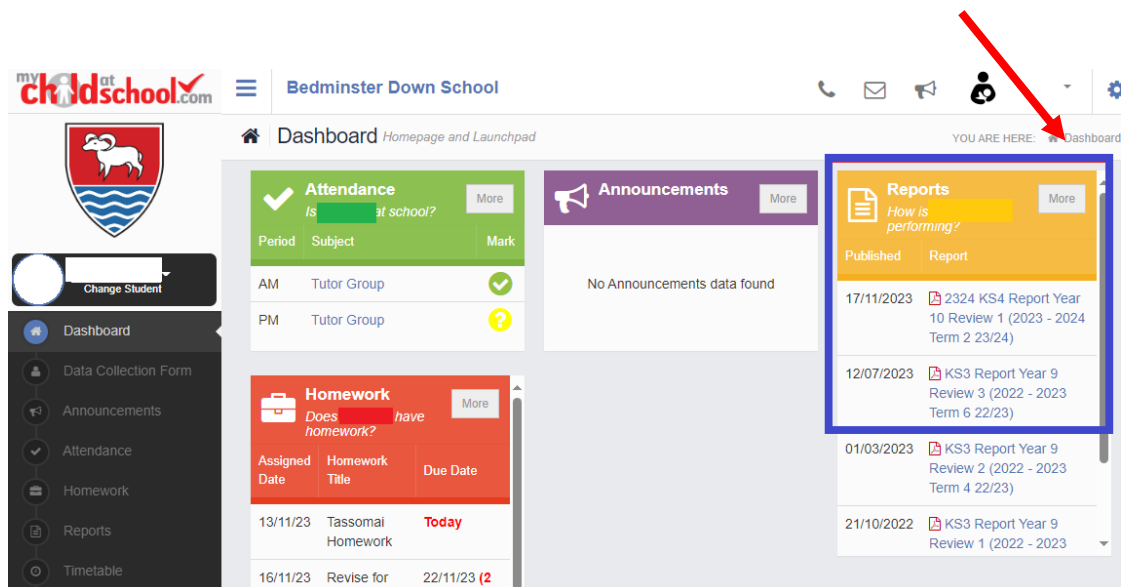

We use MCAS to share school reports with you.

Once you have logged into MCAS reports are accessible from both the widget on your MCAS dashboard and the left-hand menu bar.

In order to access the reports, you will need to have an MCAS login. If you do not have one, please contact the school on office@bedminsterdown.org.uk.

Dashboard

You should be able to see published reports on the right-hand side of the dashboard under the heading “Reports” (highlighted in blue in the image below). Clicking on a report will download a PDF copy of your child’s report so you can view it in your browser.

The screenshot shows the MCAS dashboard for Bedminster Down School. The 'Reports' widget is highlighted with a blue border. A red arrow points to the 'Reports' widget. The dashboard includes sections for Attendance, Announcements, Homework, and Reports. The Reports section lists several reports with their dates and titles.

Menu Bar

Reports can also be accessed clicking the option marked *Reports* on the left of the screen. A preview of your child’s most recent report will load automatically on the right of the page.

A preview of any other report can be loaded by clicking the eye-shaped symbol next to the report title, and a PDF copy can be downloaded by clicking the Adobe Acrobat logo.

To scroll between pages of the report preview, click the “Previous” or “Next” buttons as required.
